ABSTRACT

Body of your text. Please feel free to use this document as a template for your abstract. You can save your abstract as either a **.doc** or **.rtf** file. Please save the file name using the following format. Your last name followed by a one word short description of title. Example:

Kuhn_probiotics.doc or **Kuhn_probiotics.rtf**.

Replace each section (maintaining font type and size) with your information and limit the abstract to one page. Photographs, tables, or figures are welcome as long as they fit within the one page limit.
